

Empower your employees with easy-to-use tools

The Aetna HealthSM app and Aetna[®] member website

It's so easy for your busy employees to connect with care and manage their benefits. With the Aetna Health app and our member website, they can do just that — whether at home or on the go. And these personalized tools are simple to use.

Employees can:

Take charge of their benefits

- View their health plan summary and get details about coverage
- Track spending and progress toward deductibles
- Get a digital ID card anytime

Manage claims

- See up to two years of claims details
- Submit claims through our member website

Connect with care

- Search for in-network providers, facilities and pharmacies
- Get cost estimates for visits and procedures before an appointment*
- Talk with a doctor by phone or video 24/7
- Get personalized status updates on coverage requests and real-time alerts

*Estimated costs are not available in all markets or for all services. We provide an estimate for the amount you would owe for a particular service based on your plan at that very point in time. It is not a guarantee. Actual costs may differ from an estimate for various reasons including claims processing times for other services, providers joining or leaving our network or changes to your plan. Health maintenance organization (HMO) members can only get estimated costs for doctor and outpatient facility services.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna).
