#### Because your hearing health is part of your overall health

**UnitedHealthcare Hearing is here to make it easier**

1. Contact UnitedHealthcare Hearing to schedule an initial hearing exam and consultation.  
Treat hearing loss and protect your hearing health. Call 1-866-926-6632, TTY 711 to schedule an appointment.
2. Your provider will help you find the perfect solution  
At your consultation and exam, your provider will assess your hearing and provide a personalized recommendation. Plus they'll be able to answer any questions you have.

#### Good-to-know details

- You have 60 days to try out hearing aids purchased from a provider
- Your plan includes a 3-year extended warranty for repairs and a one-time loss or damage replacement
- Schedule up to 3 follow-up visits at no cost, with additional support available
- Receive a no-cost hearing exam

## Better hearing starts here

Treating hearing loss may help you rediscover parts of your life that may have felt missing — including engaging in daily activities and staying connected to the people you love. You'll also support your long-term health and can potentially reduce the risk of diseases such as dementia.

Getting a professional hearing test is an important first step in taking care of your hearing. If you already have hearing aids, have them evaluated to make sure they're the right devices for you.

### PLAN DETAILS

Through your UnitedHealthcare vision plan, you can get discounted pricing on hearing aids from UnitedHealthcare Hearing using promo code UHC MYVISION.
